PROTESTED OCTOBER 3, 1925 BY GEORGE B. WILLIAMS.

PROTESTED OCTOBER 9, 1925, BY RAMON ARRIZABALAGA. Protest withdrawn. Ruling # 2195 DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby ~~grant~~ deny the same, subject to the following limitations and conditions: On the grounds that the applicant does not own or control the place of use and has not demonstrated an intent or capability to place the water sought to be appropriated to beneficial use, and that the granting of a permit under said application would be detrimental to the public interest.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial use must be filed with State Engineer on or before
